Meetings

The Fedora community uses a variety of communication channels to remain connected and engaged.

Meeting Considerations:

- Be on time
- Mute your microphone if you are not speaking
- Cameras are not required - please proceed as you feel most comfortable

Weekly Technical Call

Every Thursdays: 11:00am Eastern Time US (1 hr)

- https://lyrasis.zoom.us/j/88068382811
- This call is open to ALL levels.
    - Questions and sharing of use cases is highly encouraged. We reserve a portion of time at the start of each meeting for pop-up topics so community members can drop in to ask questions.
