Aarhus Fedora EU User Group Meeting

When

Friday, September 19, 2008, in extension of ECDL 2008, the day after the workshop on Digital Object Repository Systems in Digital Libraries.

We will start Thursday night at 19.00 with dinner and social networking for those interested.

Where

The State and University Library
Universitetsparken
DK-8000 Århus C
Denmark

Please note that the meeting starts before opening hours for the Library. There will be people to receive you in front of the main entrance, to let you in. If for some reason you arrive and no one is there, please phone +45 89462036.

If you arrive after 9:00AM you can enter the library from main entrance. You can ask in the reception for Meeting Room 1, and there will be signs showing the way.

For those who have attended the workshop "Digital Object Repository Systems in Digital Libraries", it will be the day after, in the same location.

Travel information is available on the ECDL 2008 home page.

What

This will be a founding meeting of Fedora EU. Purpose will be introducing members and their projects, and discussing the future form and work of the Fedora EU User Group.

Participating is free including lunch and coffee Friday, although the dinner Thursday night will not be paid.

If you want to participate, please send an email to kfc@statsbiblioteket.dk, and please specify if you want to participate in the dinner Thursday night.

Sandra Payette from Fedora Commons has been kind enough to participate in this meeting.
