Meeting Notes

- Goal to announce the prototype specification week beginning 14th September.
- Prototype development deadline 6th November.
- [Tim Donohue](#) to create a wiki page for developers to register their interest in submitting a prototype.
- Clarify that maximum development time is 80 hours per prototype not per developer.
- Add basic CSS requirement to customisation.
- Modularization, agreed changes are clearer but still could be confusion on first point.
- To be continued ...

Next Meeting

Jonathan to send out Doodle Poll, Cineca to host.
