Training

 DURA SPACE™

A collage of various human hands in different poses and skin tones, arranged around a central teal banner. The hands are shown in various orientations: some are open, some are clenched into fists, and some are pointing. The skin tones range from light to dark. The background is white, and the entire image is framed by dark grey bars at the top and bottom.

Get involved!

# Get involved!

- DSpace 1.7 testathon effort – THIS WEEK!
- Community groups: DGOC, Ambassadors, Solution Communities, others?
- Wiki maintenance, build/share resources and tools
- Participate on the mailing list
- Share your ideas

Valorie Hollister  
Director of Community Programs  
DuraSpace

On with the meeting...

The logo for Duraspace, featuring the word "DURASPACE" in a teal, sans-serif font. The letter "U" is stylized with a grid of colored dots (red, yellow, blue) above it. A small "TM" trademark symbol is located to the right of the word.
