International Standard Name Identifier (ISO 27729)

ISNI is the ISO certified global standard number for identifying the millions of contributors to creative works and those active in their distribution, including researchers, inventors, writers, artists, visual creators, performers, producers, publishers, aggregators, and more. It is part of a family of international standard identifiers that includes identifiers of works, recordings, products and right holders in all repertoires, e.g. DOI, ISAN, ISBN, ISRC, ISSN, ISTC, and ISWC.

The mission of the ISNI International Authority (ISNI-IA) is to assign to the

6.2 Searching

A user ID is not needed to search the public database.

6.2.1 Using the search bar

The search bar is the default search on the public database.

To search the database using the search bar enter a term into the bar and single-click on the blue "search" box.

The term "Strummer, Joe" has been entered into the search bar and the following record has been retrieved².

² For an explanation of the data contained in an individual record, see 6.3

The screenshot shows the ISNI Search interface. At the top, there is a blue header with the ISNI logo and a search bar. Below the header is a navigation menu with links: Home, News, ISNI Community, Resources, Search ISNI, Do you have an ISNI?, How ISNI Works, and Log into the site. The main content area has a breadcrumb trail: You are here: Home / ISNI Search. The title is 'ISNI Search'. Below the title is a search bar containing 'strummer, joe' and a 'search' button. To the right of the search bar is the ISNI logo and a 'User id: ISNI | log in | logout' link. Below the search bar is a section for 'results' showing 'search [and] (Any Phrase (APH:)) strummer, joe | 1 hits'. There are tabs for 'shortlist', 'title data', and 'search history'. Below the results is a section for 'labels', 'sources data', and 'marc21'. A yellow box on the left contains a message: 'Please help us improve this record. If you have any supplemental information about the identity listed here, please click in this box to go to the contribution form. Thank you in advance!'. To the right of the yellow box is a table of metadata:

ISNI:	0000 0000 5939 296X
Name:	Mellor, John Graham Mellors, John Strummer, Joe ストラマー, ジョー
Dates:	1952-2002
Creation class:	cre Language material Musical sound recording Projected medium
Creation role:	contributor performer

To begin a new search, enter a term into the search bar. Alternatively, to return to the main search page, select the "search" command.

The screenshot shows the ISNI Search main page. The title is 'ISNI Search'. Below the title is a search bar containing 'strummer, joe' and a 'search' button. To the right of the search bar is the ISNI logo and a 'User id: ISNI | log in | logout' link. Below the search bar is a section for 'results' showing 'search [and] (Any Phrase (APH:)) strummer, joe | 1 hits'. There are tabs for 'shortlist', 'title data', and 'search history'. Below the results is a section for 'labels', 'sources data', and 'marc21'. A grey box at the bottom contains the text 'Welcome to ISNI'.

Note that when returning to the main search page the text of the last search will be retained in the search bar. The "search" command is also now highlighted in bold to indicate that this is the main search page.

To return to the previous screen, select the "results" command. The "results" command will now be highlighted in bold.

ISNI Search

The screenshot shows the ISNI Search interface. At the top, there are navigation links: Search | **Results** | Advanced | Terms of Use & Use of Cookies | Help. On the right, there is a language icon and 'Database copyright'. Below this is a search bar containing 'strummer, joe' and a 'search' button. Underneath the search bar, there are examples: 'Examples: Prince; Princeton University; Ken Follett; Follett, Ken'. Below the search bar, there are tabs for 'shortlist', 'title data', and 'search history'. The 'title data' tab is selected, and the search results are displayed as 'results search [and] (Any Phrase (APH:)) strummer, joe | 1 hits'. Below the search results, there are tabs for 'labels', 'sources data', and 'marc21'. The 'labels' tab is selected, and the search results are displayed as a table with the following information:

	ISNI:	0000 0000 5939 296X
	Name:	Mellor, John Graham Mellors, John Strummer, Joe ストラマー, ジョー
	Dates:	1952-2002

On the left side of the search results, there is a yellow box with the text: 'Please help us improve this record. If you have any supplemental information about the identity listed'.

6.2.1.1 Multiple search results

Where a search term is not unique the results will be displayed in groups of up to ten records per page.

6.2.2 Search history

The “search history” command displays the search history for a particular session. This command is only available when viewing an individual record.

Example

In the following record, the “search history” command can be found next to “shortlist” and “title data” below the search bar.

The screenshot shows the ISNI search interface. At the top, there is a search bar containing the text "jones, mick" and a "search" button. To the right of the search bar is the ISNI logo and the text "User id: ISNI | log in | logout". Below the search bar, there are examples: "Examples: Prince; Princeton University; Ken Follett; Follett, Ken".

Below the search bar, there is a navigation bar with tabs for "shortlist", "title data", and "search history". The "search history" tab is selected. To the right of the tabs are navigation links: "first | previous | 1 | 2 | 3 | next | last".

Below the navigation bar, there is a results section. The text reads: "results search [and] (Any Phrase (APH:)) jones, mick | 3 hits".

Below the results section, there is another navigation bar with tabs for "labels", "sources data", and "marc21". The "labels" tab is selected.

Below the navigation bar, there is a yellow box with the text: "Please help us improve this record. If you have any supplemental information about the identity listed here, please click in this box to go to the contribution form. Thank you in advance!".

To the right of the yellow box, there is a list of metadata for the record:

Note that “search history” is now highlighted in bold. There are three columns in the display – **set**, **hits** and **action**.

Set = the search number in the session.

Hits = the size of the search results, e.g.: in the above search history, 1 record was retrieved in the first search of the session (set 1) and 254 records in the fourth search (set 4).

Action = the search carried out.

In order to view a previous search, select the appropriate action.

Years of birth and/or death may be available to view on the public database. However, a full date of birth would not normally be available.⁴

6.3.1.4 Creation class/Creation role

Creation class refers to the types of material issued by or about the identity⁵, e.g. musical sound recording.

Creation role refers to the role of an identity in relation to a work⁶, e.g. author, editor, composer, etc.

⁴ See 3.2.16 for further information about the display of dates on ISNI.

⁵ For guidelines on creation class codes, see 3.2.14

⁶ For guidelines on creation role codes, see 3.2.13

6.3.1.5 Related names/Affiliations

There may be separate records for affiliated names, e.g. pseudonyms, group memberships, earlier/later names.⁷

Personal name links are visible by a "Related identities" field. This field contains a link to an alternate identity such as a real name or pseudonym.

Example

Junius is the pseudonym of Rosa Luxemburg.

On the record for Rosa Luxemburg, a "Related identities" field is displayed as follows:

Dates:	Różga, Maciej Rukusenburugu, Rōza Spartacus לוקסמבורג, רוזה לוקסמבורג, רוזה לוקסמבורג, ראזא לוקסמבורג, רוזה 1871-1919

Note that there is a corresponding link to the real name "Luxemburg, Rosa" in the record for the pseudonym "Junius."

To return to the record for Rosa Luxemburg, click on one of the names in the "Related identities" field.

Organisational links are visible by a "Related names" field. This field contains a link to related names such as earlier/later forms or parent organisations.

Example

College of New Jersey is the earlier name of Princeton University.

On the record for Princeton University, a “Related names” field is displayed as follows:

6.3.1.6 Titles

Titles are in alphabetical order on the public database.

Example

Titles:	All day and all of the night (2 min 30 s) asesino algo especial, Un Baby the trans (2 min 19 s) Black Hawk down original motion picture soundtrack Boogie with your children (3 min 31 s) brooding side of madness, The Burning room (1 min 53 s) 'Cause i said so (2 min 46 s) Chinese choppers (1 min 12 s) Cut the crap Dizzy's goatee (3 min 23 s) Dum du club (3 min 02 s) Dum dum club (3 min 02 s) Earthquake weather [SR] p1989: Elgin Avenue breakdown revisited Filibustero Future is unwritten Gangsterville (4 min 17 s) Give 'em the boot
----------------	--

Note that titles by some ISNI data contributors are not displayed on the public database.

Rights management societies and trade sources restrict their titles, dates and related names from the public⁹.

⁹ Rights management societies allow their titles to be shown to other ISNI members. However, BOWKER (which includes the sources BOWKER, BOWKA, BOWP, SCHU, PROQ, AMS, AGLD, MLA) do not allow their titles to be seen by other ISNI members or the public.

6.3.1.7 Notes

The notes field displays both general public and external information found notes (e.g.: web links, bibliographic citations)¹⁰.

6.4 Enduser comments

Endusers who are signed in with a registered ID can add comments or send queries which are dealt with by the ISNI Quality Team¹⁴.

These comments are recorded using the “please help us improve this record” box, which is present for each individual record.

Example

labels	sources data	marc21
<div data-bbox="268 638 689 1075" style="border: 1px solid black; padding: 5px;"><p>Please help us improve this record</p><p>If you have any supplemental information about the identity listed here, please click in this box to go to the contribution form.</p><p>Thank you in advance!</p></div> <div data-bbox="730 638 1465 1075" style="border: 1px solid black; padding: 5px;"><p>ISNI: 0000 0000 5939 296X</p><p>Name: Mellor, John Graham Mellors, John Strummer, Joe ストラマー, ジョー</p><p>Dates: 1952-2002</p><p>Creation class: cre Language material Musical sound recording Projected medium</p><p>Creation role: contributor performer</p></div>		

All enduser queries/suggestions are automatically collated at the end of each day. They are then submitted via email to the ISNIQT inbox (British Library) and ISNIBNF (BNF).

¹⁴ For further information about enduser queries, see Chapter 5.
