

Mailing Lists

Code of Conduct

All DSpace mailing lists follow the [DuraSpace Code of Conduct](#). We ask you to remain respectful in all discussions. We also encourage you to report any violations of the code of conduct to DuraSpace (see the [DuraSpace Code of Conduct](#) for more details).

Please note that our community also uses some interactive channels for support, see [Slack](#) and [IRC](#). Other [Support](#) options are also available.

English Lists

There are several public DSpace mailing lists you can join, depending on what your particular interest is.

- **dspace-community@googlegroups.com**: General discussion about the DSpace platform, and setting up and running a DSpace service. It is open to all DSpace users to ask questions, share news, and spark discussion about DSpace with people managing other DSpace sites.
 - [Sign up for dspace-community](#) (Click "Join group") or [search the archives](#)
 - You may also sign up by simply emailing dspace-community+subscribe@googlegroups.com
- **dspace-tech@googlegroups.com**: Technical support for the DSpace platform. If you have a technical query, or are having problems getting DSpace up and running, this is the place to go (refer to the [Troubleshoot an error](#) page for additional help and suggestions). If you are technically savvy, and would like to contribute by helping out those in need, please join!
 - [Sign up for dspace-tech](#) (Click "Join group") or [search the archives](#)
 - You may also sign up by simply emailing dspace-tech+subscribe@googlegroups.com
- **dspace-devel@googlegroups.com**: DSpace developers list. DSpace developer discussions and upcoming release discussions take place on this list, as the people working on the DSpace code hang out here.
 - [Sign up for dspace-devel](#) (Click "Join group") or [search the archives](#)
 - You may also sign up by simply emailing dspace-devel+subscribe@googlegroups.com
- **dspace-tickets@googlegroups.com**: Notification list for modifications to tickets in the [DSpace Issue Tracker](#) (JIRA). This list is useful to join if you want to be aware of bug reports, possible upcoming features, and upcoming code changes in general.
 - [Sign up for dspace-tickets](#) (Click "Join group") or [search the archives](#)
 - You may also sign up by simply emailing dspace-tickets+subscribe@googlegroups.com
- **dspace-changelog@googlegroups.com**: Notification list for all changes to the [DSpace codebase in GitHub](#). This is for "hardcore" developers only. This listserv reports the latest code commits, allowing developers to keep in touch with the latest DSpace code changes.
 - [Sign up for dspace-changelog](#) (Click "Join group") or [search the archives](#)
 - You may also sign up by simply emailing dspace-changelog+subscribe@googlegroups.com

Non-English Lists

While we hope that the community works together by using the above lists, some mailing lists enabling non-English speakers to participate are emerging. We strongly encourage people on those lists who speak English to liaise between them.

- Czech - [CZDSUG mailing list](#)
- Japanese () - [The National Institute of Informatics](#) runs an email list for institutional repositories, including DSpace. Contact [co5 \(at\) nii.ac.jp](mailto:co5@nii.ac.jp) for further information.
- Spanish - [DSpace Spanish User Group](#), [Gude](#)
- German [DSpace-de](#) German DSpace user community.
- Portuguese - [DSpace Brasil](#)
- South Africa (incl. Africa) IR Community: <http://lists.lib.sun.ac.za/mailman/listinfo/irtalk>
