

# DSpaceDirect KnowledgeBase Home

The KnowledgeBase is designed to help users become immediately productive with [DSpaceDirect](#). The content focuses on how to set up and run a repository, and answers frequently asked questions about DSpaceDirect. The material contained here is not a duplication or replacement for the official DSpace software documentation, but a supplemental resource. The content is still under development and we welcome your feedback. Please contact [support@dspace.org](mailto:support@dspace.org) if you have any suggestions.

Video training is available at <https://youtu.be/7dSNuBfTYeo>
