

VIVO Technical Documentation

Authorship

These pages contain contributions from many members of the VIVO community. Confluence may state that a certain person has "created" a page, when in fact they have merely split, copied, or merged two existing pages. In this way, the pages may appear to be the work of a single person. Everyone who has worked on VIVO deserves recognition and thanks.

Documentation for the current release (1.10)

Technical documentation for the current release can be found in the [VIVO Technical Documentation for 1.10 Wiki](#).
