3-section layout #1

This is the panel title

Panel is nice
Because it draws a nice line around the panel. Panels have a background color. And optionally a separate title background color.

Created by Maria Zamotny from Neat Project

3-section layout #2

Panel is nice (this is the title)

Panel is nice
Because it draws a nice line around the panel.

Created by Maria Zamotny from Neat Project

Can I put a lot of text here?

- Yes
- No
- Maybe

Did you know that panels can have colored borders?

3-section layout #3

Panel is nice
Because it draws a nice line around the panel.
