

2018 Fedora Leadership Group Election

The 2018 [Leadership Group election](#) took place in June. We received fewer nominees than we had open positions so a vote was unnecessary. The new and returning [Fedora Leadership Group members](#) include:

Name	Organization	Title/Role
Chris Awre	University of Hull	Head of Information Services
Sayeed Choudhury	Johns Hopkins University	Associate Dean for Research Data Management
Stefano Cossu	Art Institute of Chicago	Director of Application Services, Collections
Mark Jordan	Simon Fraser University (representing the Islandora Foundation)	Division Head, Systems
Rosalyn Metz	Emory University	Director of Library Technology and Digital Strategies
Tom Murphy	University of Michigan, ICPSR	Director of Computing & Network Services
Doron Shalvi	National Library of Medicine	Principal Applications Architect
Tim Shearer	University of North Carolina, Chapel Hill	Associate University Librarian for Digital Strategies and IT
Dustin Slater	University of Texas at Austin	Assistant Director of Information Technology
Patrick Yott	Northeastern University	Associate Dean, Digital Strategies and Services
