Item	Who
Start releasing information about milestones as they are met, to show the progress currently being made each week.	
Carol and Heather will work on content <a href="http://dspace.org">dspace.org</a> homepage display and listing/display of resources on the DSpace 7 page. Will review with this group. Will create a blog post to point to these resources.	
Keep looking for endorsers and considering what the ask is for the campaign – what will they do to respond?
