Announcing the DSpace Development Fund

Consider contributing to the [DSpace Development Fund](#), which helps to support new feature development for upcoming releases! Want to get involved?

Looking for ways to help out? Or, have ideas that you really want to see implemented in DSpace? See our guide on [How to Contribute Ideas / Code / Documentation](#) for some ways you can help make DSpace better for everyone!

If you are a developer and want to get your feet wet with DSpace, consider trying to tackle one of [our unresolved, "good first issue" tickets](#). They should be approachable to anyone who is newer to DSpace, and it'd be a great way to give back!
