Wrap-up and next steps

Notes

1. Born Digital
   a. Updating to Drupal 9
   b. Speeding up search
   c. Overhauling how Access Controls are handled
   d. Caching is currently disabled, site will get faster
2. Doing QC on the site
   a. Some are done and some may need to wait
      i. e.g. Matomo, usage stats, etc.
3. Google Scholar tags
   a. Can't get to linked agents, feature enabled in Access Control 2.0 (currently on 1.x)
   b. Will then need to move to Creator instead of Author linked agent
   c. Should be able to update to 2.0 without too much trouble
4. VTT work
   a. VTT files will need to be added manually - there are fewer than 20
   b. Alan: add a new field to the media for the VTT files
