

Program for Cooperative Cataloging (PCC) Home

This is the home of the Program for Cooperative Cataloging (PCC) space.

This wiki is currently used mostly to post documents that are fully approved by the PCC, or documents that are still in draft form but where the PCC is requesting input from the PCC community.

*All contents on the PCC Wiki are available to everyone for read-only access. Those appointed to PCC task groups or committees can request Write and Edit permissions. Please see instructions below for help creating a LYRASIS wiki account.

*For those PoCo Committee members who need permission to edit the Wiki pages, here is the process to follow.

1. Send an email to <wikihelp@lyrasis.org> to request an account to access the wiki.
 - Suggested subject header: LYRASIS wiki account creation request
 - Suggested body:
 - Can you please create an account to the LYRASIS wiki for me using the following information?
 - Name:
 - Email:
 - Body: [rationale]
1. You will receive an email notification from [Anonymous \(Confluence\)](#) <no-reply@duraspacespace.org> that your account has been created. Follow the instructions in this notification (i.e. click on the **[Sign up now]** button and complete the form
2. Send the chair of your committee the following info to be added to the workspace. This information provides multiple ways of looking up your account:
 - Full Name:
 - Email:
 - Username:
