Meeting Schedule and Attendance

The **DSpace Community Advisory Team (DCAT)** meets every month to discuss progress on DCAT activities and topics of interest. We welcome feedback and participation from anyone in the community. If you plan to attend the meeting please notify the DCAT Chair by adding your name to the attendees list on the bottom of the meeting's page.

DCAT meetings take place generally on the 2nd Tuesday of every month via a Zoom call. The purpose of the meeting is primarily to share news and information. Most of the work of DCAT takes place outside the meeting, so if there are members who cannot attend a meeting they can still contribute significantly to DCAT efforts. Directions to join the Zoom call can be found on the page of the specific meeting.

The archived meeting notes from past discussions are open to anyone.

Upcoming Meetings

DCAT generally convenes the second Tuesday of the month, at 12:00 Eastern Time.

- See the world clock to determine the meeting time for your location.
