Retired Projects

Projects that have either been retired or decided to not move forward on. These may contain details that still may be of interest in future projects

- [Extensions and Addons Work](#)
- [Repository of XMLUI themes](#) — This page links to source code of XMLUI themes that were made publicly available by DSpace users. You can use these themes to get inspiration on what you can do in XMLUI and you can look at the source to see how you can do it.
- [Survey of Available RDF/Linked Data Creation Tools](#)
