

Washington D.C. Fedora User Group Meeting - 14 Oct 2011

What

4th D.C. Fedora User Group Meeting

Where

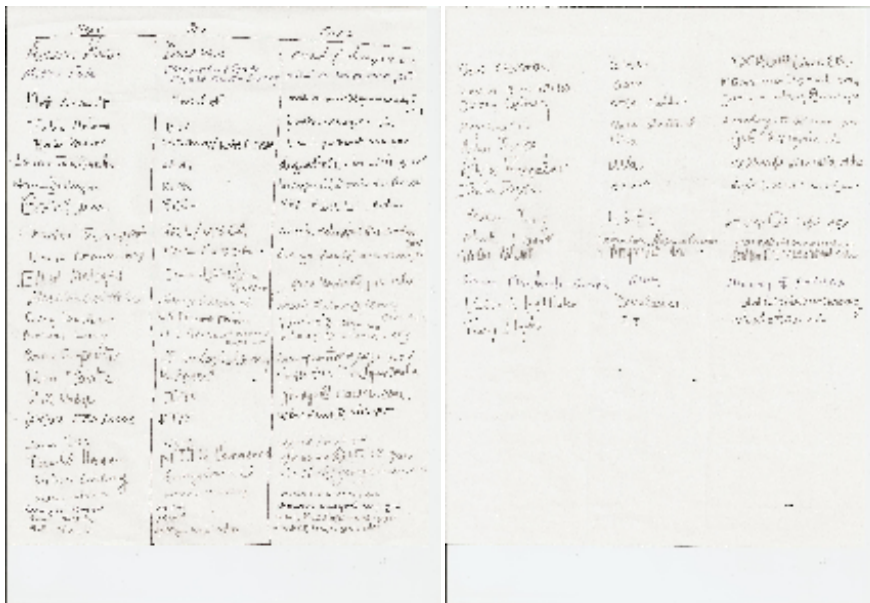

Gelman Library
George Washington University
2130 H St. NW
Washington, DC 20052

When

14 Oct 2011
9:00 am until 4:00 pm

Who

Attendees

The image shows two pages of handwritten notes, likely from a meeting agenda or minutes. The handwriting is in cursive and somewhat difficult to read. The notes are organized into columns, possibly representing different topics or speakers. The first page has three columns, and the second page has two columns. The notes appear to be a mix of names, dates, and possibly topics discussed during the meeting.
