DevMtg 2012-02-15

Developers Meeting on Weds, February 15, 2012

Agenda

Regular Items

1. JIRA Catch-Up – starting with issue DS-946
   - Search for all Unresolved Issues (since DS-946)

Discussion Topics

1. **1.8.2 Updates:** Any updates on fixes / changes you want to see in 1.8.2?
   - REMINDER: 1.8.2 release on Feb 24. Any bug fixes need to be committed by end-of-day, **MONDAY, FEB 20**
   - Tim needs feedback on DS-1122 - "When adding a Bitstream to a Bundle, the 'bitstream_order' is always set to the 'sequence_id'"
2. Developers Virtual Summit week: Feb 27 through Mar 2
   - Any topics you'd like to see added to the 'possible topics list'? (Again, as this is an unconference-style meeting, you can also just show up with topics)
3. Google Summer of Code 2012 - Begin to think about possible GSoC DSpace Project Ideas. Also, think about whether you'd be willing to mentor a student project (of your choice, obviously).
   - Post your ideas to wiki at: DSpace Summer of Code Ideas
4. Other topics?

Additional Ongoing Topics

1. Brainstorming Features/Changes for 3.0. Can we work towards development teams around any of these projects?
   - Larger DSpace projects which seem to have a lot of recent support:
     - Moving towards a Common "Business Logic" / Business Services API. (I.e. avoiding duplication of business logic in all UIs)
     - Metadata For All (i.e. metadata on all objects), SubTopic: Getting us up-to-date how we use Dublin Core / DCMI. (Support from DCAT)
   - Other DSpace projects receiving mention recently
     - Migrate Search and Browse to DSpace Discovery
     - "Change which UIs come out-of-the-box" (and which are optionally installed later)
     - Move configurations to DB or similar (so they can be managed/edited from Admin UI)
     - Context Guided Ingest (or Item Type based submissions)
     - Other Development Proposals

Individual Status Updates

If you have status items to report, please enter them below at least 1 hour before the meeting starts.

Meeting Notes

JIRA reviews, 1.8.2 updates (DS-1122 feedback), upcoming Virtual Summit

Meeting Transcript

- Full IRC Transcript is available at - http://irclogs.duraspace.org/index.php?date=2012-02-15

Action Items

Action items coming out of this meeting go here, if any.

- TODO - Update the ReleaseCoordinating page to better outline Release Processes
  - Add "Update this document with lessons learned" as the final task of any release.
