DevMtg 2012-04-11

Developers Meeting on Weds, April 11, 2012

Agenda

Regular Items

- JIRA Catch-Up – starting with issue DS-976
  - Search for all Unresolved Issues (since DS-976)

Quick Note / FYI

- Feedback from Google on our GSoC 2012 application posted up at: GSoC 2012 Rejection Notes
- The (Face-to-Face) DSpace Developers Meeting at OR12 in Edinburgh will more than likely be on Monday, July 9.

Discussion Topics

1. GitHub Migration
   - Working towards some Git/GitHub "Best Practices": Development with Git (Could use some help / feedback / brainstorms)
2. 3.0 Release Planning
   - Features to add to the "possible features" list?
   - **We still need a "team leader" for our Release Team.**
     - Current Release Team (all volunteered in Fall): Hardy P, Sands F, Kim S, Robin T
3. Planning for next Virtual Summit?
   - Any thoughts on how many times would we like to hold this Summit per year? Once (Jan/Feb)? Twice (Jan and May/June)? Three times (Jan, May & Sept)?
   - Just a reminder of the "Actionable Takeaways" from previous Summit. Several of these we've already been moving along with.
4. Other topics?

Additional Ongoing Topics

1. Brainstorming Features/Changes for 3.0. Can we work towards development teams around any of these projects?
   - Larger DSpace projects which seem to have a lot of recent support:
     - Moving towards a Common "Business Logic" / Business Services API. (I.e. avoiding duplication of business logic in all UIs)
     - Metadata For All (i.e. metadata on all objects), SubTopic: Getting us up-to-date how we use Dublin Core / DCMI. (Support from DCAT)
   - Other DSpace projects receiving mention recently
     - Migrate Search and Browse to DSpace Discovery
     - "Change which UIs come out-of-the-box" (and which are optionally installed later)
     - Move configurations to DB or similar (so they can be managed/edited from Admin UI)
     - Context Guided Ingest (or Item Type based submissions)
     - Other Development Proposals

Individual Status Updates

If you have status items to report, please enter them below at least 1 hour before the meeting starts.

Meeting Notes

JIRA review, brief discussion of 3.0 planning & next Summit

Meeting Transcript

- Full IRC Transcript is available at - http://irclogs.duraspace.org/index.php?date=2012-04-11

Action Items

Action items coming out of this meeting go here, if any.

- TODO - Update the ReleaseCoordinating page to better outline Release Processes
  - Add "Update this document with lessons learned" as the final task of any release.
