DevMtg 2012-04-18

Developers Meeting on Weds, April 18, 2012

Agenda

Regular Items

- JIRA Catch-Up – starting with issue DS-986
    - Search for all Unresolved Issues (since DS-986)

Reminder: The (Face-to-Face) DSpace Developers Meeting at OR12 in Edinburgh will more than likely be on Monday, July 9.

Discussion Topics

1. Quick FYI : Tim will be out-of-office next week (April 25) at a DuraSpace All-Staff Meeting. Volunteer to lead meeting on April 25?
2. 3.0 Release Planning
    - Features to add to the "possible features" list? Other topics to discuss around 3.0?
    - Wondering if we want to schedule a "Special Topic" meeting (perhaps even via a Skype voice call) to begin to brainstorm/plan 3.0 features?
    - Current Release Team: Hardy P, Sands F, Kim S, Robin T
3. GitHub Migration
    - Tim updated DSpace + NetBeans IDE instructions for Git/GitHub. We could use similar updates for IDEA and Eclipse (any volunteers?)
    - Any thoughts on DSpace + Git Development Model thread on dspace-devel?
    - Any "best practices" we'd like to start with and add to: Development with Git
4. Other topics?

Additional Ongoing Topics

1. Brainstorming Features/Changes for 3.0. Can we work towards development teams around any of these projects?
    - Larger DSpace projects which seem to have a lot of recent support:
        - Moving towards a Common "Business Logic" / Business Services API. (I.e. avoiding duplication of business logic in all UIs)
        - Metadata For All (i.e. metadata on all objects), SubTopic: Getting us up-to-date how we use Dublin Core / DCMI. (Support from DCAT)
    - Other DSpace projects receiving mention recently
        - Migrate Search and Browse to DSpace Discovery
        - "Change which UIs come out-of-the-box" (and which are optionally installed later)
        - Move configurations to DB or similar (so they can be managed/edited from Admin UI)
        - Context Guided Ingest (or Item Type based submissions)
        - Other Development Proposals

Individual Status Updates

If you have status items to report, please enter them below at least 1 hour before the meeting starts.

Meeting Notes

Meeting Transcript

- Full IRC Transcript is available at - http://irclogs.duraspace.org/index.php?date=2012-04-18

Action Items

Action items coming out of this meeting go here, if any.

- TODO - Update the ReleaseCoordinating page to better outline Release Processes
    - Add "Update this document with lessons learned" as the final task of any release.
