

DevMtg 2012-06-06

Developers Meeting on Weds, June 6, 2012

Agenda

Regular Items

- [JIRA Catch-Up](#) – starting with issue DS-1038
 - [Search for all Unresolved Issues \(since DS-1038\)](#)
- **REMINDER:** Sign up & Suggest Topics for [DSpace Developers Meeting at OR12](#)

Discussion Topics

1. How can we "catch up" with JIRA? It seems like we just keep falling further behind in our reviews. (Currently at 90+ unreviewed tickets)
 - Do we need to "split up" the tickets & do quick reviews on our own? Or perhaps just split up tickets & do a very quick ranking & schedule ones with patches for 3.0?
 - Other ideas?
2. Updates to our [Guidelines for Committing](#) based on GitHub/Git?
 - Thoughts on how we rework these policies to our new GitHub development environment (with Pull Request policies, etc.)?
3. [3.0 Release](#) Updates / Possible feature updates or ideas
 - **REMINDER:** Add your planned 3.0 contributions to the 3.0 Wiki Page
4. Other topics?

Additional Ongoing Topics

1. Brainstorming Features/Changes for 3.0. Can we work towards development teams around any of these projects?
 - Larger DSpace projects which seem to have a lot of recent support:
 - Moving towards a Common "Business Logic" / Business Services API. (I.e. avoiding duplication of business logic in all UIs)
 - [Metadata For All](#) (i.e. metadata on all objects), SubTopic: Getting us up-to-date how we use Dublin Core / DCMI. (Support from DCAT)
 - AuthN & AuthZ issues, including: [DS-994](#), [DS-1006](#), [DS-1007](#), [DS-1088](#), and developer meeting on [May 2, 2012](#)
 - Other DSpace projects receiving mention recently
 - [Migrate Search and Browse to DSpace Discovery](#)
 - "Change which UIs come out-of-the-box" (and which are optionally installed later)
 - [Move configurations to DB or similar](#) (so they can be managed/edited from Admin UI)
 - [Context Guided Ingest](#) (or Item Type based submissions)
 - Other [Development Proposals](#)

Individual Status Updates

If you have status items to report, please enter them below at least 1 hour before the meeting starts.

Meeting Notes

Jira Reviews, various brainstorms on trying to catch up on JIRA

Meeting Transcript

- Full IRC Transcript is available at - <http://irclogs.duraspace.org/index.php?date=2012-06-06>

Action Items

Action items coming out of this meeting go here, if any.
