Released September 12th, 2012

This release includes several features and one bugfix. See details below.

Acknowledgements

Special thanks to **Paul Pound** for his contribution to support editing sets.

Note to Developers

With this release, to reflect the fact that Fedora CloudSync is a DuraSpace-owned project, the primary git repository has migrated to `http://github.com/duraspace/fcrepo-cloudsync`. In addition, the java package name has changed from `com.github.cwilper.fcrepo.cloudsync` to `org.duraspace.fcrepo.cloudsync`
