If you notice any discrepancies, typos, or have any suggestions for improvement, please edit our wiki, or forward your feedback to community@islandora.ca. Community involvement keeps the project strong. To learn more about contributing to the improvement of Islandora, please review [Chapter 15 - Islandora Community \(Developing Islandora\)](#).

This version of the documentation refers to the Drupal 6/Fedora 3 version of the Islandora module. Older versions are no longer supported.
