

# Fedora Office Hours

Notice

Fedora Office Hours are **not** currently in effect. However, you might find a helpful Fedora developer or two hanging out on the #duraspace channel on Freenode ([connect through your browser here by entering a unique nick and #duraspace as the channel](#)).

Got a development question or just an idea you want to bounce off someone? Check out the [Fedora Developer's List](#)

Or if you're new to Fedora or have a question about installing or using the software, try the [Fedora Users' List](#).
