DevMtg 2014-01-15

Developers Meeting on Weds, January 15, 2014

Agenda

Regular Items

- "JIRA Backlog Hour" : Every Weds at 19:00UTC in #dspace IRC we will be working together to tackle our JIRA Backlog of "Received" tickets. This regular meeting will continue until we've been able to catch up on our backlog.
    - This week it was suggested we do a **very quick** review of any 4.0 closed tickets marked "Docs Needed" to ensure they all were appropriately documented.

Discussion Topics

1. DSpace 4.1? Just wondering if we are starting to see a need for one, or if we are still "waiting" for issues to come in (and get fixed).
2. Other topics to bring up for discussion? Possible recent discussions/to-do's
    a. A Release Schedule Template
    b. "Requiring Documentation before a PR can be merged". See: New Contribution Template
    c. "Let's talk about Features" Meeting idea (3rd meeting per month) starting in Feb.
3. Other topics?

Additional Ongoing Topics

1. Brainstorming Features/Changes for future. Can we work towards development teams around any of these projects?
    - Larger DSpace projects which seem to have a lot of recent support:
        - Moving towards a Common "Business Logic" / Business Services API. (I.e. avoiding duplication of business logic in all UIs)
        - Metadata For All (i.e. metadata on all objects), SubTopic: Getting us up-to-date how we use Dublin Core / DCMI. (Support from DCAT)
            - Related: Proposal to Update DC Registry and Add DCTERMS Registry Latest page from DCAT with the summary & goals
        - AuthN & AuthZ issues, including: DS-1566 and developer meeting on May 2, 2012
    - Other DSpace projects receiving mention recently
        - "Change which UIs come out-of-the-box" (and which are optionally installed later)
        - Move configurations to DB or similar (so they can be managed/edited from Admin UI)
        - Other Development Proposals

Individual Status Updates

If you have status items to report, please enter them below at least 1 hour before the meeting starts.

Meeting Notes
