## How to Hack the DSpace Community

This talk detailed how and why to give back to DSpace, and how you can help speed up the process of seeing your contributed code make it into DSpace.

## Mirage 2 - A responsive user interface for DSpace

Three years after the original contribution of the Mirage theme to DSpace 1.7, @mire is currently developing Mirage 2 for DSpace 4. This theme for the DSpace "Manakin" XML User Interface was built on modern web technologies including Bootstrap, SASS/Compass and Grunt. Mirage 2 adds support for devices in all shapes and sizes, an updated look & feel and an entire range of optimizations behind the scenes.
