Working Documents

These pages reflect the latest working documents from the LD4L team. They may well change as they are updated by team members with the latest information.

- Possible Data Sources
- First Team Meeting
- Usage Data Research Notes
    - Usage case studies
- ActiveTriples
- LD4L Use Cases
    - Use Case 1.1: Build a virtual collection
    - Use Case 1.2: Tag scholarly information resources to support reuse
    - Use Case 2.1: See and search on works by people to discover more works, and better understand people
    - Use Case 3.1: Search with Geographic Data for Record Enrichment and Pivoting
    - Use Case 3.2: Search with Subject Data for Record Enrichment and Pivoting
    - Use Case 3.3: Search with Person Data for Record Enrichment and Pivoting
    - Use Case 3.4: Authority tool for more accurate data entry
    - Use Case 4.1: Identifying related works
    - Use Case 4.2: Leverage the deeper graph to surface more relevant works
    - Use Case 5.1: Research guided by community usage
    - Use Case 5.2: Be guided in collection building by usage
    - Use Case 6.1: Cross-site search
    - Use Case: Template
- Use cases from beyond LD4L
    - Template for a new use case
- Use Cases - Next Steps for Implementation
    - Infrastructure - Authentication, Private/Public Data, Roles, Ownership, Group Membership - Requirements
    - Use Case 1.1 - PLANNING - Build a virtual collection
        - Use Case 1.1 - Requirements - Build a virtual collection
            - Use Case 1.1 - All pages updates - Requirements
            - Use Case 1.1 - Home page (updates) - Requirements
            - Use Case 1.1 - Search Results page (updates) - Requirements
            - Use Case 1.1 - Work page (updates) - Requirements
            - Use Case 1.1 - My Virtual Collections page (new) - Requirements
            - Use Case 1.1 - New Virtual Collection dialog (new) - Requirements
        - Use Case 1.1 - UI Mockup - Catalog Home with My Virtual Collections
        - Use Case 1.1 - UI Mockup - Catalog Search Results with Add to My Virtual Collection
        - Use Case 1.1 - UI Mockup - Catalog View Work with Add to My Virtual Collection
        - Use Case 1.1 - UI Mockup - My Virtual Collections
        - Use Case 1.1 - UI Mockup - Add New Virtual Collection
        - Use Case 1.1 - UI Mockup - View Virtual Collection Metadata dialog
        - Use Case 1.1 - UI Mockup - View Watched Virtual Collection Metadata dialog
        - Use Case 1.1 - Triples Examples
            - Trianon Triples
            - Use Case 1.1 - Triples - Explore PROV-O for owner and contributors
        - Use Case 1.1 - ORE Triples Examples
        - Use Case 1.1 - Queries Examples
        - ORE Ontology GEM Implementation
    - Use Case 1.2 - PLANNING - Tag scholarly information resources to support reuse
        - Use Case 1.2 - UI Mockup - Catalog Home with Library Virtual Collections
        - Use Case 1.2 - UI Mockup - Catalog Search Results with Add to Library Virtual Collection
        - Use Case 1.2 - UI Mockup - Catalog View Work with Add to Library Virtual Collection
        - Use Case 1.2 - UI Mockup - My Virtual Collections with Library Virtual Collections
        - Use Case 1.2 - UI Mockup - Add New Library Virtual Collection
        - Use Case 1.2 - UI Mockup - Catalog View Work with Add to Published Confirmation
        - Use Case 1.2 - Triples Examples
        - Use Case 1.2 - SOLR Design
- Historical Use Case Documents
    - LD4L Use Cases - Version 2 -- 9 Use Cases across 5 Clusters
    - LD4L Use Cases - Version 1 -- 42 Use Cases across 5 Clusters
