

## Stats/Metrics - Include item usage statistics on public-facing item pages

<b>Title (Goal)</b>	Statistics: Include item usage statistics on public-facing item pages
<b>Primary Actor</b>	Collection Owner
<b>Scope</b>	
<b>Level</b>	
<b>Story (A paragraph or two describing what happens)</b>	<p>As a collection owner, I would like to have the option to display item usage statistics on public-facing item pages by modifying theme properties.</p> <ul style="list-style-type: none"><li>• The following page indicates a possible implementation. It would be useful to make this information more readily accessible to the theme system.<ul style="list-style-type: none"><li>◦ <a href="#">DSpace Statistics#CustomReporting-QueryingSOLRDirectly</a></li></ul></li></ul>
