Summary

Join Fedora Commons Technical Lead Andrew Woods for a training workshop on Fedora 4.

The training is free and open to anyone interested in the Fedora Commons repository software, but registration is required and space is limited. Sign up by October 1!

This event takes place on Thursday October 16th, the day after the Denver, CO Islandora Camp. For more information about attending Islandora Camp CO, or for travel, lodging, and location information, see: http://islandora.ca/camps/co2014

Training is presented by DuraSpace and hosted by the Colorado Alliance of Research Libraries. For more information, please contact dwilcox@duraspace.org.
