VIVO Technical Documentation

Authorship

These pages contain contributions from many members of the VIVO community. Confluence may state that a certain person has "created" a page, when in fact they have merely split, copied, or merged two existing pages. In this way, the pages may appear to be the work of a single person. Everyone who has worked on VIVO deserves recognition and thanks.

Documentation for the current release (1.14.0)

Technical documentation for the current release can be found in the VIVO Technical Documentation for 1.14 Wiki.
