 - Twitter hashtag: <https://twitter.com/search?q=%23mozosprint>
 - >30 sites from all over the world participating in our #mozosprint this year
 - an opportunity to highlight VIVO to the diverse community of developers, researchers, students, funders and librarians that the Science Lab convenes
 - some people run user testing and feedback sessions, conversations about possible new project directions - whatever strikes you as a valuable way to reach out to the community
- VIVO sprint ideas?
 - open JIRA issues - link to JIRA
 - open GitHub pull requests - link to these
 - VIVO tools and apps – link to wiki page

Questions?

- Can we still propose some VIVO projects/sprints?
- How can my physical site participate in the Global Sprint 2015?
- other???
