2015-07-10 Steering Group Updates Only

July 10, 2015, 1 PM EST - Meeting cancelled due to the number of members who were not available. Updates Only.

Updates

1. Tech lead. Expect announcement in the coming week.
2. Conference info sent to lita-l, sigir-l, openness-l, code4lib, and RDAP-L
3. Membership drive. Letters going out to prospects in the coming week.
4. Steering Group elections. See Steering Group Meeting 20150703 notes for names of nominated individuals to date. Leadership needs to nominate one more at a minimum.
