New this year

- Run the conference as a task force. Open participation by the community. Year long process. Materials gathered in the wiki for re-use.
- Identify roles and responsibilities. See [Conference roles and responsibilities](#)
- Organize the conference work under several key roles – in the past we had just program chair and conference chair. This year we are considering adding a marketing chair and sponsorship chair. Each should have volunteers working with them.

Meeting Times

TBA

Communication Channels

- The wiki will contain progress information
- VIVO Updates emails as needed
- Conference chairs brief the Steering Group as needed
