Washington D.C. Area Fedora User Group Meeting: 7-8 October 2015

What

D.C. Area Fedora User Group Meeting (registration). Registration is free.

When

7-8 October 2015
9:00am - 2:30pm (Oct. 7)
10:00am - 4:00pm (Oct. 8)

Where

University of Maryland, College Park

Day 1 (Training, Oct. 7)	Day 2 (User Group, Oct. 8)
Hornbake Library North Ground Floor, HBK 0302J (Library Media Services) University of Maryland College Park, MD 20742	McKeldin Library Special Events Room (Room 6137) University of Maryland College Park, MD 20742

Arriving by Metro/Bus

A comprehensive overview of travel options is available from the campus office of conference and visitor services. Once you have arrived on campus, this campus map will help you locate the libraries (Hornbake = #147; McKeldin = #035). There is a College Park metro stop on the green line, which is served by a shuttle bus to campus approximately every 10 minutes.

Arriving by Car

The Libraries have posted driving directions for getting to campus.

There is ample parking on campus for a daily maximum of $15.00. A covered guest lot that is convenient to the Library is the Regents Drive Garage (#202 on the map mentioned above). Full information on guest parking options is available on the conference and visitor services site. **Please note**: parking services is very vigilant and quick to ticket, so please make sure that you pay for your parking space at the pay station (look to the signage in the lots for instructions).

Lodging

For participants coming from out of town, the College Park Marriott Hotel and Conference Center, 3501 University Blvd E is the most convenient lodging to campus, and is within an easy 10-15 minute walk of each day's venue. Other hotels, including some less expensive options, are located on Route 1 on the other side of campus, 1-2 miles away from the library. This map shows some of the nearby options.

Meals

Coffee and a light breakfast will be provided on each morning of the meeting, thanks to the sponsorship of the Washington Research Library Consortium, U MD Libraries, and Duraspace. Other meals will not be provided, but for lunch the participants will have many restaurants to choose from within walking distance of the venues. This Google Doc lists many of the nearby options.

What to Bring

Particularly for the Fedora Training on day 1, it is important that the participants bring their own laptops to work on during the hands-on portions of the training. UMD Libraries will provide wireless guest internet access for participants who do not have a UMD login and who are not coming from an Eduroam institution.

Attendees

Agenda/Presentations

Day 1 (7 October)

The first day will focus on Fedora 4 training. The following agenda is based on feedback submitted by attendees during registration.

Workshop notes, courtesy of Ruth Tillman, are available on GitHub.

Time	Topic
9:00 - 9:30	Welcome and Introductions
9:30 - 10:45	Fedora 4 Core Features firsthand
10:45 - 11:00	Break
