Preparing for the call

- Review the [DSpace 6 Testathon Testplan Working group](#) page
 - Especially look at the section "Requirements for demo.dspace.org" installation. If we finalize our test plan, we should also put forward a clear set of expectations on how we would want demo.dspace.org to be configured.
 - [Review the draft of the XML UI Test plan \(everyone can view, if you want to help out, hit the button on the top right corner to request edit](#)

- Review
