## Talks/demos:

### Duke CV Generator

- Danielle ([danielle.heckman@duke.edu](mailto:danielle.heckman@duke.edu)) - Scholars@Duke CV Generator (Phase 1)
- started in September and first project assigned
- highly requested feature
- using Duke widgets backend for data
- focusing on output to Word
- using docxtemplater and recommend it: <https://github.com/open-xml-templating/docxtemplater>
- Feedback: some schools might want particular formatted CV, choose different citation styles
- Hope to put code on Github eventually

Duke Widgets (<https://wiki.duraspace.org/display/VIVO/VIVO+Widgets>) generate JSON that feeds docxtemplater.
