

Message regarding attendance at targeted meetings /conferences

Title: On the Road with DSpace 7 Collaborators

Several DSpace community members will be attending a number of conferences and meetings this spring where DSpace 7 UI development will be discussed. If you will be attending as well, please reach out to them for more information or to find out how to get involved with community efforts around the development of DSpace 7.

Here is a list of [DSpace 7 related conferences and meetings](#) along with information about who will be attending.
