Ticket Summaries

1. Please squash a bug!

2. Tickets resolved this week:

key summary type created updated due assignee reporter priority status resolution

Unable to locate Jira server for this macro. It may be due to Application Link configuration.

3. Tickets created this week:

When the summary type created updated due assignee reporter priority status resolution.

Unable to locate Jira server for this macro. It may be due to Application Link configuration.

Minutes

1. API Issues

- a. Please weigh in outstanding issues on Fedora API Specification. Even if you don't have a strong opinion, indicate that you have looked over the issues.
- b. So what is the status of #41: we need more and informed voices to make a determination on it. Reniamin Armintor is going to drag some Hydra implementor
