- 1 Click Lookup button to go to mockup for selecting an Author (mockup action: This will take you to the LoC lookup mockup.)
- 2 When returning from a selection in the Lookup UI, a new author will be created with the label and uri fields will be filled in. (mockup action: Not active. These fields will always show the Mark Twain info from LoC.)
- 3 This shows a URI selected from a local authority. (mockup action: Support for local authorities is outside the scope of these mockups.)
- 4 Click Lookup button to go to mockup for selecting an Keywords (mockup action: This will take you to the Agrovoc lookup mockup.)
- 5 When returning from the Lookup UI with multiple selections, a new keyword is created for each selection with label and uri fields filled in. (mockup action: Not active. These fields will always show the same selected keywords from Agrovoc.)
