Notes

Catch-up, Announcements

- June 13–DCAT Monthly telecast: Future of DSpace-ORCID integrations, info here: DSpace Community Advisory Team
- June 15–Webinar: DSpace-CRIS: How it works and how to leverage it, info here: http://duraspace.org/articles/3189

Review action items

- *Plain language summary edit of The DSpace 7 Project–A Simple Summary*
    - Need something shorter–1-2 pages
    - Jose to provide a condensed version of http://duraspace.org/node/3157
- *Identify key make-or-break features*
    - Mariya took notes on the wiki page
    - Some are "make or break", some ideas are "nice to have"
    - Felicity will add links to DSpace 7 use cases related to these features
    - Would be good to have clarity on where particular use cases stand in relation to current DSpace 7 development

Discussion: UI examples of inspirational design and functionality

- Felicity added group comments to page
- Group will continue to add examples of UI design and functionality and comments
- Carol to reach out to tech team and call attention to examples and comments

New DSpace logo release at OR2017

- Carol reviewed new logo release plans
- Will send group logos and guidelines
- Please do not use prior to press release June 20
