

# Edit form optional accordion (editable mockup)

If you want to propose changes to the following mockup please proceed as follow

- clone this page
- edit the cloned page: you will be able to edit the embedded balsamiq mockup
- add a **comment in the parent page** referencing to your own version of the mockup (the cloned page)

The mockup shows a web browser window titled "DSpace 7 - Submission form". The main content area is titled "New item". At the top, there is a dashed box for dropping content, with a "Drop here the actual content or bibliographic records or [browse](#)" instruction. Below this is a "Collection ?" dropdown menu showing "Sample collection". To the right is an "Add more" button. The form is organized into an accordion with sections: "Basic information" (green checkmark icon), "Indexing" (orange exclamation mark icon), "Files & access condition" (orange exclamation mark icon), "CC Licence" (orange exclamation mark icon), and "Distribution License" (orange exclamation mark icon). The "Indexing" section is expanded, showing an "Abstract ?" text area with an "En" button and a "Keyword ?" text area with "Keyword 1" and "Keyword 2" (each with a close 'x' icon) and an "En" button. At the bottom are "Discard", "Save for later", and "Deposit" buttons. A yellow sticky note on the right says: "An icon show the state of a section to indicate whether all mandatory fields have been compiled or not." An arrow points from the note to the orange exclamation mark icon in the "Indexing" section header.
