Webex link is here: <https://goo.gl/4rjbzp> Please join for a discussion regarding participation in VIVO. What are the opportunities? What might the opportunities be? We look forward to sharing ideas!

Membership in Duraspace. One way to participate in VIVO is to become a member. Members participate in the governance of the project – selecting members of the Leadership Group and the Steering Group. Members financially support the project enabling VIVO to participate in collaborative efforts around the world. Becoming a member is very simple. See <http://bit.ly/durajoin>. I hope you will consider becoming a member.

VIVO Camp. Registration is open at <https://goo.gl/ocvznb> for VIVO Camp November 9-11, at Duke University in Durham, North Carolina. Camp is 2 1/2 days of training in all things VIVO. Unlike a half day workshop, camp provides the opportunity to go into detail on a wide variety of topics critical to the success of a VIVO implementation. Evaluating VIVO? Camp provides an opportunity to get all your questions answered, in depth, and personally through interaction with VIVO experts. Working on a VIVO implementation? Bring your questions, and experiences to camp for a VIVO refresher. Camp will include hands on exercises in VIVO system administration and VIVO data management. Questions about camp? Please contact any of the instructors: [Paul Albert](#), [Violeta Ilik](#), [Graham Triggs](#), [Mike Conlon](#), and [Julia Trimmer](#). We look forward to seeing you in Durham in November!
