Collection ?   Sample collection
                Another sample collection
                Another Collection

Basic information

During the submission, after that has been edited some configurable fields (e.g. title or identifiers), the system check the item signatures to find potential duplicates. If any potential duplicate is found a popup is shown to the submitter asking to confirm or reject the result.

Aut...

Title* ?   Sample title

Identifiers ?   DOI ▼

The system recognized some entries that might be duplicates, please check the list carefully and select the appropriate action. If your entry is really a duplicate Interrupt it ! You can ask the submitter about the "master" record (if it has not been published) or the system administrator to make changes

🗑 Discard submission

Summary	2014. Sample Article Blue, Earth
Submitter	Author, 1
Identifier	hdl:123456789/25
Status	Archived
Collection	Sample Collection
Last modified	16/11/2016 18:44

It is a duplicate   It is not a duplicate

❮ Prev   Next ❯

If the workflow is enabled the controller will see the same alert popup. If the submitter has declared that the match was a fake they can confirm or flag the record as necessary to merge so to have it highlighted in the administrative UI.
