- What are the semantics of version restoration?
 - <https://github.com/fcrepo/fcrepo-specification/issues/238>
 - Consensus: drop version restoration and use ingest-by-reference instead
- Modeshape Impl: Interaction models effectively can't be changed
 - <https://github.com/fcrepo/fcrepo-specification/issues/229>
 - Nothing to be done for the ModeShape impl... others will be different
