Notes

DSpace 7 Update

- First developer meeting after break was held last week, catching up from mid-December.
    - Priority is having a demo-able version of search and deposit by late Jan or Feb
    - Tim is working on better development planning for sprints
    - DSpace Release 7.0 Status#CurrentStatusofnewUI
- Timelines for OR presentations?
- Aim is to have an alpha version of DSpace 7 ready to demo which will not be complete
- An update talk and 2 workshops have been submiitted
- The workshops will be developer-oriented, since features will not be complete can't do ws appropriate for repo managers

Discussion: Communicating about What's In DSpace 7

Jose reviewed an excellent draft document: https://goo.gl/RZ2C3P (Thank you!)

He will revise to include "core features" for review next week.
