Development Interest Group

The Development Interest Group meets regularly to discuss development of Vitro, VIVO and related tools.

The group is open to all.

See Background Resources for information on VIVO and Vitro development tools, environment and practices.

Meeting Announcements are posted to vivo-tech@googlegoups.com

VIVO uses Slack for collaborative work. Join VIVO Slack here: https://goo.gl/forms/JxQFkut4TYj4Ehww1

Meeting Announcements are posted to vivo-tech@googlegoups.com

VIVO uses GitHub. See http://github.com/vivo-project

Notes of previous meetings are here: Development Calls
