

2018-03-11 VIVO Updates

Daylight Savings Time in US Daylight Savings Time began Sunday, March 11 in the United States. The clocks moved forward one hour. You may wish to check times of meetings.

VIVO Camp April 5-7, Biomedical Library, University of California San Diego. VIVO Camp is two and a half days of introduction to VIVO for those considering, planning, or leading implementations. Instructors will cover project goals, community buy-in, data sources, data models, ingest, ontology, and much more. [Paul Albert](#), Weill Cornell Medicine, [Violeta Ilik](#), Stony Brook University, [Mike Conlon](#) and [Benjamin Gross](#) of Clarivate will serve as your guides, counselors, and instructors. Camp will be held at the Biomedical Library of the University of California, San Diego, UCSD, a stone's throw from beautiful La Jolla. To learn more and to register, click here: <https://goo.gl/vh9hm7> We hope to see you in sunny California!

Are you a VIVO Developer? Would you like to be? Are you here: <https://github.com/orgs/vivo-project/teams/vivo-developers/members> The developers are organizing a sprint for the last two weeks of April. We hope you will [join VIVO Slack](#) and become a developer. All are welcome.

Implementation Interest Group The [Implementation Interest Group](#) will have a call this Thursday at 1 PM US Eastern. All are welcome! The group reviews issues in implementation. Are you implementing? Planning and implementation. Maybe you'd like to hear from others.

Go VIVO!

Mike
