Meeting notes

José Carvalho presented "What's in DSpace 7," https://docs.google.com/document/d/1M5f9FE-V3eQDYnKc1b7wOv5thT143oTdUGtf-Vqk7Gw /edit#heading=h.tfc4jaw2gfd9. The group creating this document will be working on it through March 23. Since the DSpace 7 will have a single user interface, the group wishes to promote the common features of DSpace. They request that DCAT members and others review and comment on this document. They also request that you list use cases which will help them identify potential users' needs. Later the group would also like feedback on ways to communicate and promote these features of DSpace.
