

Product Evolution Task Force

Background

The VIVO Action Planning process grew out of the VIVO Strategy Meeting, March 1, 2018. Five areas of action planning were identified -- Resources, Vision, Community Engagement, Organization and Governance, and Product Evolution. The purpose of action planning is to create a plan and execute it over the twelve month period March 1, 2018 to Feb 28, 2019.

Resources

- All key documents are stored in this [Google Drive](#).

Members

Paul Albert - task force lead

Andi Ogier - co-lead

various others
