

Dev Show and Tell - Using Docker in Development - May 15, 2018 - 1500UTC

- [Logistics](#)
- [Meeting Recording](#)
- [DSpace/Docker Resources](#)
- [DSpace and Docker – Pascal Becker](#)
- [Oracle Testing Using Docker – Tom Desair](#)
- [Upcoming Meetings - Future Topics](#)

Logistics

Time: May 15, 2018 at 15:00 - 16:30 UTC (11AM ET - 12:30PM ET)

Location: [DSpace Meeting Room](#)

- <https://duraspace.zoom.us/my/dspace>

Note: this meeting will be recorded

Meeting Recording

DSpace/Docker Resources

The following repository is meant to contain docker images supported by the DSpace community.

This repository will also contain links to useful resources for developers.

<https://github.com/DSpace-Labs/DSpace-Docker-Images/blob/master/README.md>

We have a channel on Slack for DSpace/Docker related conversations.

DSpace and Docker – Pascal Becker

- (notes can be added here)

Oracle Testing Using Docker – Tom Desair

- (notes can be added here_)

Upcoming Meetings - Future Topics

- See [DSpace Developer Show and Tell Meetings](#)
